Report Incident

Confirm Game:

Once the game is complete the **REFEREE** clicks on the confirm button and types in the Umpires code: **MCSFGE**

Once game is confirmed press the exit button.

If there is a **forfeit**: Press the confirm button, select win by default to relevant team and confirm. Enter the Umpires Code.

To Report an Injury:

Click on the Report Injury Button (example on left). Click on the relevant player (injured player) and select one of the following treatments: **Refused Treatment / No Treatment / Local First Aid / Team Assisted / Ambulance Called.**
