

# BENDIGO BASKETBALL ASSOCIATION STADIUM SCORING DURING GAME INSTRUCTIONS

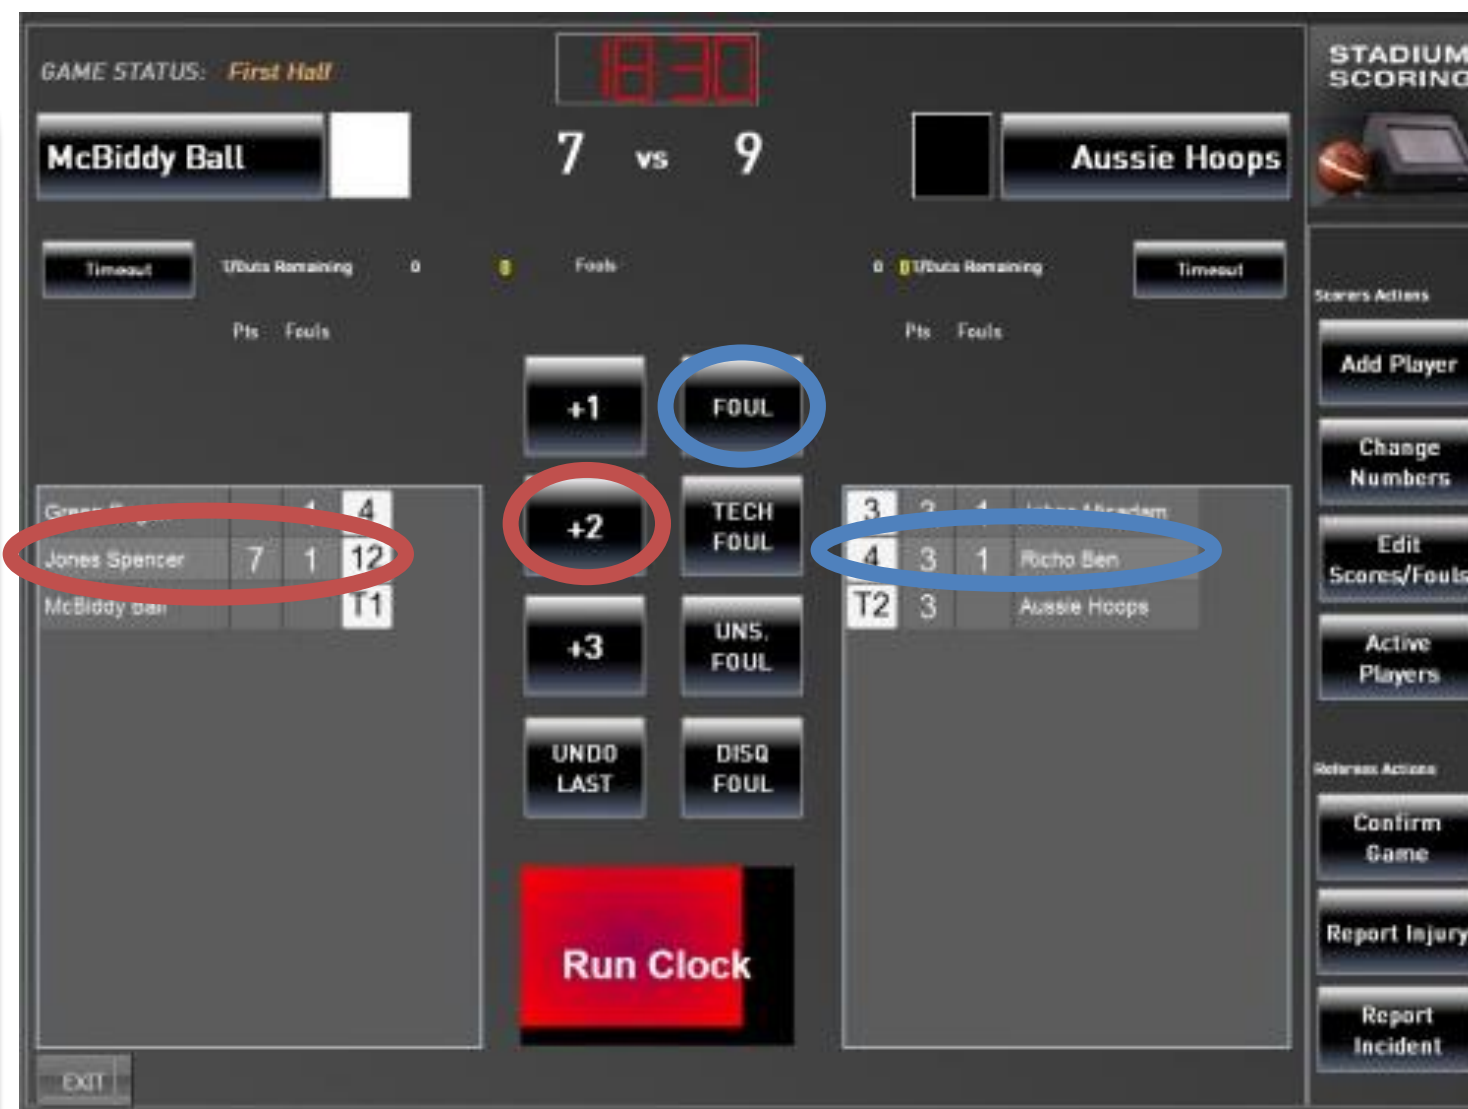

## To Add Points:

Click on the player and click on the **+1, +2 or +3 buttons** to add the points. The player points tally is the first column.

**Undo last** will cancel the last action done.

To edit any scores click the **'Edit Scores/Fouls'** button and select the relevant player. This will show the scores for the player and you are able to add or delete accordingly.

(If you don't know who scored the points click the team name on the bottom of the list.)

UMPIRES CODE:  
**MCSFGE**

The clock needs to be started on the stadium scoring.

The stadium scoring replaces the score sheet. The score board will still need to be operated.

## To Add Fouls:

Click on the player and click on the Foul, Tech Foul, Uns Foul or Disq Foul. The personal fouls tally is the second column.

**Undo last** will cancel the last action done.

To **EDIT ANY FOULS** click the **'Edit Scores/Fouls'** button and select the relevant player. This will show the fouls for the player and you are able to add or delete accordingly.
