Our girls had only played one game together prior to this tournament and were down to only 8 players due to illness. The improvement they displayed over 24 hours was amazing, demonstrated by a toughly fought battle in the semi-final where they narrowed the margin of their previous loss to the same team.

The boys had a great weekend for their first tournament. After a slow start with a loss to Mildura they found their feet in the second and third games where they defeated both Benalla and Echuca. Unfortunately, they lost Sunday morning to Swan Hill which meant the missed out on the grand final.

The boys played a total of 5 games across the weekend. First up, taking on the hosts Swan Hill and coming away with a comfortable 57 – 28 win. All players contributing in a great team game for their first of the season.

The second game the boys came up against Benalla Breakers. After a sluggish start, they worked their way into the game, coming away winners by 13 points.

The final game of Saturday was against Mildura Heat. It was a tough encounter, with the lead changing several times. After a tense first half, the boys couldn't quite find ways to score, eventually going down by 6 points.

The final round game saw them take on the Mildura Heat 2nd Team. With some sore bodies, and a lack of early intensity, the game was up for grabs. However, the team re-focused and dominated the boards, coming away winners 46 – 21. This had them finishing 2nd overall and securing a place in the Grand Final – vs Mildura Heat.

A sound start, with some tight defence saw the Braves take an early lead, with a lot of foul calls keeping the crowd involved. The teams couldn't be split at the half – 13 apiece.

The intensity was high to start the second half, with the Heat racking up the fouls early including a Technical Foul. This seemed to swing the momentum the Braves way, with a second technical foul on the Mildura coach, earning her an ejection. Shooting out to a 7-point lead on the back of some consistent free throw shooting, then a 4th and 5th Tech Foul for Mildura allowed the boys to hold that lead, eventually running out winners by 8 points – 40 – 32.

Grand Final MVP – Oliver Eaton

Unfortunately, due to a three-way tie our boys only lost the 1 game for the weekend however weren't able to play off in the 1 vs 2 Grand Final due to finishing 3rd. The boys should be really proud of their efforts as they played in their first tournament together and up a division to what they are graded. Ethan Hewett was our sharp shooter for the weekend scoring 37 points over 4 games.
